Signs, Wonders & Church Life Course

Designed to follow on from the Healing Ministry Course (2003) and the Signs, Wonders and Church Growth course (2004), this Tabernacle Course will run on a Tuesday evening for 5 consecutive weeks during September and October. Attendance at the first two courses is **not** a requirement attendance.

The course will examine the place of the gifts of the Spirit in Church life, small groups and corporate worship.

The course fee is £10.00 payable at registration on the first session attended. However, sponsorships are available for the unwaged or those on low incomes. If paying the fee is problematic, please contact the course tutor, Rev'd. Roger Grafton.

No previous experience or knowledge is required for this course. This is a 'stand-alone' course, so previous units are not a requirement of enrolment.

All evenings begin at **7.30 pm** and will conclude by **9.30 pm** with a short refreshment break part way through the evening.

Course Outline & description

14th September - Introduction & assumptions

An overview of the course, including an introduction to the question 'what is Church?', the central role of the Holy Spirit in the life of the Church, and a review of the ministry and gifts of the Spirit.

21st September - "You will receive power..."

Jesus promised that his disciples would "receive power when the Holy Spirit comes upon you." This session explores the notions of baptism of the Holy Spirit and filling with the Holy Spirit, as well as an introduction to an understanding of the physical phenomena which may attach to this experience.

28th September - Gifts in Church Life I

There are four main headings for gifts in the New Testament, though there appears to be some overlapping and no simple reconciliation of the listings. Placing them in their biblical context and under headings according to their Greek usage, Part I of this subject will explore the *Ministries* of the Holy Spirit (1 Cor 12:28) and the *Equippers* in the Holy Spirit (Ephesians 4:8-14)

5th October - Gifts in Church Life II

This subject continues with an exploration of the *manifestations* of the Holy Spirit (1 Corinthians 12:8-10) and the *Gifts of Grace* (Romans 12:3-8)

12th October - Putting ministry into practice

Gifts are given by God for the benefit of the church and the building up of the body. How do we put this ministry in practice with order and decency? How do we minister in different settings and contexts? Who should minister and when?
