Course Outline & description

This course provides an introduction to the major components of leadership in corporate worship, including how to prepare and deliver sermons, administration of the sacraments, leading in prayer, ordering of worship events, and issues of speech and diction. Special attention is given to developing a Biblical understanding of the nature of Christian worship. Personal preparation and maturity are a vital element of effective preaching, and this course places a special emphasis on the role of the minister as well as his/her practice of ministry.

The course will commence on Friday evening at 7.30 pm, concluding at 9.30 pm and continue on Saturday between 9.30 am and 4.00 pm. Drinks will be provided, but you should bring a packed lunch for the Saturday or be prepared to buy food in a local take away.

Sunday services at Tabernacle will be at 10.30 am and 6.00 pm. Whilst we appreciate that you will probably have services to attend at your own church, you would be most welcome to join us. If you are able to join us you will see some of the elements discussed and prepared during the course put into practice in our worship.

Please enrol for this course using the tear off form opposite. We look forward to seeing you! .
